WE'RE IN THE NEWS!

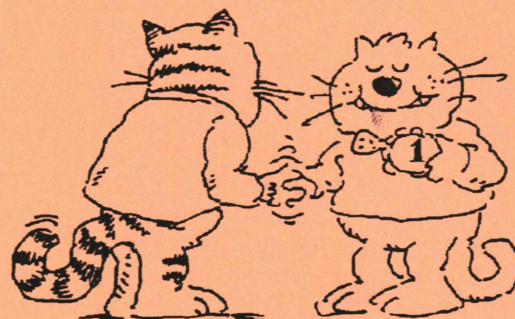

U.S. News Ranks Mount St. Mary's College High in Overall Quality, Diversity and Value Rankings

Mount St. Mary's College has been ranked one of the top nine schools in the Western Region by **U.S. News & World Report** in its annual America's Best Colleges issue and guidebook on newsstands now. In the Western Region, the College has also been ranked as the second most diverse university and the 15th best value.

In the **Top Regional School** category, the College rose from 12th last year to 9th.

"We are very pleased to have moved up in the rankings," said Sister Karen Kennelly, President. "Our strengths as a student-centered, liberal arts institution with a strong focus on women's leadership have obviously attributed to this improvement, as has the generosity of our alumnae body." The ranking is based on academic reputation, retention, faculty resources, student selectivity, financial resources and alumni giving.

The new U.S. News category on **Campus Diversity**, in which the College is ranked second, reflects the College's reputation as the most diverse of any independent college in Southern California. Mount St. Mary's is nationally recognized for its innovative programs and strategies for educating a culturally-diverse student body. With 71% of its student body being ethnic minority, the College boasts a graduation rate of 64% as compared with the national rate of 45%.

The **Best Value** ranking relates the cost of attending an institution to its quality. These rankings will appear in a special section on **Financing College** in the September 8th issue of U.S. News.

Congratulations to us!

FROM THE LEARNING RESOURCE CENTER:

CHEMISTRY PLACEMENT TEST

This exam will be given to Pre-Med students majoring in Chemistry and Biology on **Thursday, September 4** in the Learning Resource Center, Room 109.

A student can qualify for Chemistry 1A if she has a score of 15 in the Math Proficiency Test (this test was given when you did your placement testing) and a 5 on the Chemistry Test.

A syllabus of the items on the Chemistry Test is available in the Learning Resource Center. Please see **Sister Carol** before September 4 if you plan to take the Chemistry Test.

F.Y.I.

I.D. CARDS: Completed cards are available in Resident Mailboxes, at the Switchboard, or in the particular HOPE Program offices. Please check today and let **Sister James Marlen** know if you have not received yours. We need to be sure that all new A.A. students and all residents have cards as soon as possible. Take care of this *right away!*

HUMANITIES: LOS ANGELES: If you are still in need of a one-unit class for the Fall Semester and you're available on Saturdays, you might want to check on **INT 93**. This class will be taking some tours in the Los Angeles area relative to the history of the area. There will be some cost—admission if such is charged at any of the sites—and a shuttle will be provided for some of the class (we might need some drivers if the group is too large). See **Sister James Marlen** (Bldg. #10, Office 26) this week if you would like to sign up for the class. The first adventure is scheduled for **September 13**.

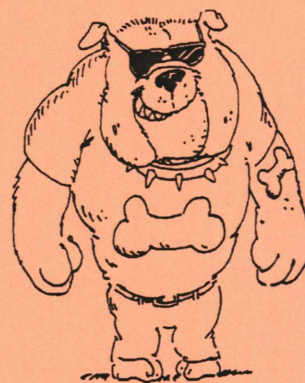

WOULD YOU LIKE TO SEE "Ragtime"?: If you are interested in a night out ☺ and have a bit of money left over in your pocket after buying your books ☺, you might want to check the sign on the **48-Hour Board** in Bldg. #4. Some tickets are available at a group rate. Please sign up by this week so that we can be sure to get the tickets while they're still available!

PARKING REGULATIONS STRICTLY ENFORCED!

Beginning September 2, the following regulations will be strictly enforced on the **Chalon Campus:**

- ☐ Towing will be immediate from all fire lanes. (**Chalon/Doheny**)
- ☐ Everyone is required to have a permit to park on campus. Tickets will be issued to those without a permit. (**Chalon/Doheny**)
- ☐ During any given semester, after a vehicle has received two parking tickets for any violation, that car will be towed at the owner's expense. (**Chalon/Doheny**)
- ☐ The Circle is reserved for handicapped and visitor parking. Illegally parked faculty, staff or student cars will be ticketed, with no exceptions. (Chalon)
- ☐ The Brady, Chapel, and Art building lots are reserved for faculty and staff from 6:00 a.m. through 6:00 p.m. Monday – Friday. Tickets will be issued starting at 6:00 a.m. on those days for illegally parked cars, i.e., no permit or wrong permit. (Chalon)
- ☐ The reserved parking spaces are reserved 24 hours a day, 7 days a week. Tickets will be issued any time a car is parked in a reserved spot without a reserved permit. (Chalon)

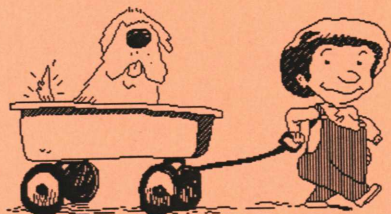

FROM THE FITNESS EDUCATION DEPARTMENT:

FROM COUNSELING SERVICES

The Counseling Center on the Doheny Campus of Mount St. Mary's College extends a warm welcome to all new and returning students, as well as faculty and staff. We are committed to helping students benefit as much as possible from their experiences in college. We offer individual, couples, and group counseling, as well as educational programs, in such areas as:

- | | |
|---------------------|-----------------------|
| * Self-esteem | * Relationship issues |
| * Academic concerns | * Family issues |
| * Stress management | * Assertiveness |
| * Anxiety | * Depression |

If you experience any of those concerns, you are not alone.

Counseling can help enhance your ability to adapt to college life, relate to new and different people, and make your MSMC experience satisfying and productive.

COMMON MYTHS/MISCONCEPTIONS ABOUT COUNSELING

"Isn't it true that people who go to counseling are weak or crazy?"

Definitely not! Most students who go to counseling are interested in personal growth or are facing normal developmental concerns. Although some students may be dealing with more serious issues, seeking counseling is actually a sign of strength and self-care.

"I'm afraid that if I go to counseling, my teachers, friends, and family will find out. Would counseling become part of my academic record?"

Rest assured, all personal information discussed in counseling is kept confidential and will not be noted in your academic record.

"I'd love to go to counseling, but I cannot afford the \$100.00 fee."

You're in luck. Counseling services are available free of charge for all students who have paid their MSMC Health Center fee.

"Who would actually benefit from counseling?"

Anyone interested in personal growth or seeking help with changes in their lives, or anyone experiencing loneliness, depression, relationship concerns, parental pressures, academic or study problems, stress, test anxiety, or low self-esteem would benefit. In other words, every person could benefit from counseling.

WE ARE LOCATED ON THE FIRST FLOOR OF BUILDING 7. TO MAKE AN APPOINTMENT, OR FOR ADDITIONAL INFORMATION, PLEASE CALL DR. ROBYNNE RUDIN AT (213) 477-2668.

Ask Dr. Robynne

Dear Dr. Robynne:

Being back at college is very exciting but, even though school just started, I am already beginning to feel "stressed out." Can you give me some helpful hints about managing stress? Thanks.

--STRESSED IN L.A.

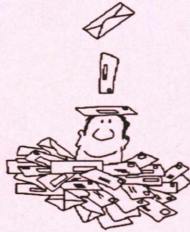

Dear Stressed:

What a positive thing it is for you to know yourself well enough to recognize when you are experiencing stress! In fact, although college is a very exciting time, it can also be quite stressful. Here are some stress-reducing techniques I've found to be helpful:

1. Take a mental mini-vacation: Use visual imagery of a relaxing, beautiful scene. Just close your eyes and imagine what it looks like, sounds like, and feels like.
2. Take a deep breath: This brings much-needed oxygen into the body, relaxes the muscles, slows down the heart rate, and helps calm the mind.
3. Relax your muscles: Focusing on tension release (by tightening and then relaxing muscles from the toes up to the head) helps your body feel more relaxed.
4. Walk it off: This has stress-reducing benefits. Even a brisk 5 to 15 minute walk can be effective.
5. Talk it out: Getting it off your chest is very helpful because it puts things in perspective. Be sure to choose someone who is a good listener. And, you can always make an appointment to speak to a counselor (who is trained to be a good listener and be supportive).

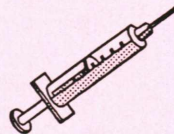

"Ask Dr. Robynne is a new column that will be featured regularly in the **Doheny Happenings**. Dr. Robynne Rudin is a licensed psychologist who provides counseling at the Counseling Center on the Doheny Campus. You can send your letters to Dr. Robynne Rudin's Counseling Services Mail Box (located in Building #10, Administration).

2. I would like to congratulate MARIA GONZALEZ on winning the prize drawing at our OPEN HOUSE on September 2nd. She won a beautiful red leather student planner. I wish her much luck with her studies.
3. Student Health Office Hours:

FROM STUDENT HEALTH OFFICE

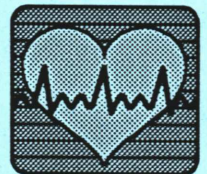

IMPORTANT INFORMATION on using your MSMC medical insurance:

If you are enrolled in the MSMC student medical insurance plan, you must receive a referral from either the MSMC student health clinic or the USC student health clinic in order to receive specialty services. Specialty services include such services as X-rays, MRI, CAT scan, dermatologist, orthopedist, gynecologist, etc. You will receive this referral after you have made an initial appointment with either the MSMC student health clinic or the USC student health clinic and the doctor there has determined that you need to be referred. You do not need a referral for emergency services or for services you receive when the student health clinics are closed.

Once you are referred, you should be prepared to pay your \$50.00 deductible at the time of your visit to the specialist. Once you have paid your deductible, your insurance will cover 80% of the remaining costs of the services. You will be responsible for the remaining 20% of the costs. You should ask before receiving your services for an estimate of how much it will cost. In order for the insurance company to pay the 80% of your bill, you must file a claim form. Claim forms are available in the Doheny business office, the Doheny health center, at the Chalon student health clinic and at the USC student health clinic. You should complete the first part of the claim form and have your doctor complete part two. Often the doctor's office will file the claim for you; however, do not assume that this is true. Verify with the doctor as to which of you will be filing the claim.

To file a claim with the insurance company, you must complete the following:

- ☐ Complete the claim form for each visit (**Always keep a copy for your records!**)
- ☐ Pay your \$50.00 deductible to your doctor
- ☐ Enclose a copy of the referral with your claim form
- ☐ Pay your 20% co-pay to your doctor
- ☐ Mail your completed claim form and referral to AG Administrators (address at the top of your claim form).

If you have any questions regarding your insurance, please call the Chalon student health clinic at (310) 954-4110 Monday-Friday from 8a.m. to 4:30p.m. or the Doheny Health Office (213) 477-2685 Tuesday 12p.m.-4p.m., Wednesday 8a.m.-4p.m.

Students enrolled in a private plan or HMO:

Students who are covered by private insurance plans or HMOs do not need to obtain a referral prior to using your insurance. However, you must refer to your individual plan to see what services are covered by your insurance company or HMO. Often there are restrictions associated with the services you can receive and where you can receive those services. If you have questions regarding your private insurance, contact your insurance company or HMO for more information.

Note: The health insurance cards are not ready for pick-up yet, but will be very soon. If you need to see a health care provider and they need proof of insurance, the doctor's office/clinic can verify that you are covered by calling AG Administrators at 1(800) 634-8628, or you can pick up a claim form in my office if you wish. If you have additional questions, please call me at (213) 477-2685.

Ask Dr. Robynne

Dear Dr. Robynne:

I know that college is an exciting time of life, and I want to maximize my experiences. Does self-esteem have anything to do with it? Do you have any suggestions? Thanks.

--EXCITED

Dear Excited:

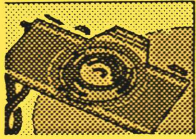

College is an exciting time of life, and your hunch was correct. Self-esteem is important. In fact, it affects all that you do. Self-esteem is defined as how you feel about yourself. People who have high self-esteem feel good about themselves most of the time, and they respect themselves most of the time. The good news is that self-esteem can be improved.

- * Listen to the things you say to yourself. Are they mostly negative? Being aware of this tendency is the first step toward changing it.
- * Notice the positive things about yourself. Everyone has strengths...even you! Start focusing on those. (Remember the half-empty versus the half-full glass analogy? It's all in how you look at things.)
- * Work to change the things about yourself that you don't like. For example if you would like to have more friends, start working on being a good friend.

These are some first steps people can take to increase their self-esteem and, hence, maximize their college (and life) experience. If you or someone you know feels bad about themselves a lot or most of the time, help is out there. Counselors are specially trained to help with self-esteem problems. Counselors can be found through family physicians, community mental health centers, or even at the Doheny Campus Counseling Center. Good luck!

"Ask Dr. Robynne" is a new column featured regularly in the **Doheny Happenings**. Dr. Robynne Rudin is a licensed psychologist who provides counseling at the Counseling Center on the Doheny Campus. You can send your letters to Dr. Rudin's Mail Box (located in Building #10, Administration). You can also make an appointment with her by calling (213) 477-2668.

Ask Dr. Robynne

Dear Dr. Robynne: I have a friend who seems to feel sad most of the time. She told me she has been diagnosed with depression. Would you please explain what this means and suggest ways I might be able to help her?
--A Concerned Friend

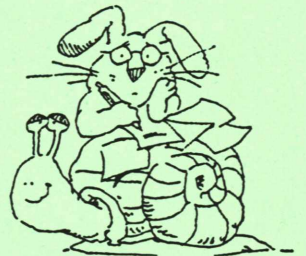

Dear Concerned:

Your friend is lucky to have a friend like you! This letter comes at a good time because October 9 is National Depression Screening Day. Believe it or not, it has been estimated that more than 17 million Americans suffer depression annually. This is not to be confused with "the blues" because everyone feels sad or discouraged from time to time. Major Depression is a brain disorder that affects the whole body. People with this disorder have a number of specific symptoms, including:

- | | |
|---|--|
| ■ feeling extremely sad most of the time | ■ feeling slowed down and tired |
| ■ finding little pleasure in life | ■ feelings of worthlessness or excessive guilt |
| ■ gaining or losing weight (when not dieting) | ■ concentration problems |
| ■ sleeping too little or too much | ■ thoughts of death or suicide |

The good news is that depression responds well to treatment, which usually includes some form of counseling. In fact, 80% of people with depression report that they feel better within a few weeks of starting treatment. Other things that can be done about depression include exercising, eating well, resting, talking with loved ones, and not being so hard on oneself. In terms of how you can help, continue being her good friend, encourage her (if she has not already done so) to seek or continue counseling, and applaud her efforts of self-care. Keep up the good work!

"Ask Dr. Robynne" is a new column featured regularly in the Doheny Happenings. Dr. Robynne Rudin is a licensed psychologist who provides counseling at the Counseling Center on the Doheny Campus. You can send your letters to her mail box, which is located in the Administration Building (#10). Or you can speak with her by calling (213) 477-2668.

DOHENY DOINGS

Volume 14, Issue 2

October 10, 1997

FROM THE DEAN'S OFFICE:

STEP/Mid-Semester Notices

Please give **STEP (Early Warning) Notices** to any student who is having any type of difficulty in your course: absenteeism, poor preparation, missing assignments, etc. *The student does not have to be failing at this point*, but a STEP Notice alerts her that she is "on the wrong path." STEP Notices have been very effective in motivating students. It also gives the instructor an opportunity to talk to the student and direct her to the many resources available to assist her on this campus (academic advisors, the Learning Resource Center, etc.).

Mid-Semester Notices should be issued after mid-term exams and/or following Mid-Semester Break (October 17) if the student is in danger of receiving a "D" or an "F". If given in time, the student often will study harder and pass the course successfully. If the student is doing passing work at mid-semester and then does failing work, please give either a Mid-Semester or STEP Notice at that time. The information the instructor puts on these notices assists both Advisors and the Dean in counseling students and in making decisions regarding probation and disqualification.

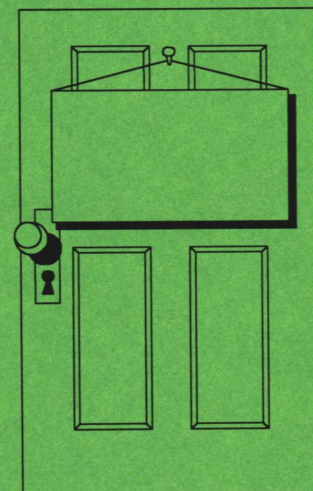

Thank you for your cooperation in this very important matter!

NOTIFICATION REGARDING CANCELLATION OF CLASSES

✉ If you must cancel classes because of illness or for any other reason, please call Lisa Melou in the Dean's Office, Ext. 2510 (direct dial: [213] 477-2510). She is in the office by 8:00 a.m. (leave voice mail message before that time, or if she is away from the telephone).

Thank you!

GET READY FOR FOUNDERS DAY!

Wednesday, October 15 is the 72nd anniversary of the founding of Mount St. Mary's College. Come celebrate MSMC's birthday outside Ahmanson Commons at lunchtime. FROM CAMPUS MINISTRY

HALLOWEEN: The committees are working hard to make this the best year ever. LOOK at Campus Ministry board in Bldg. 4 for the times that the different groups meet and join. Schedules will be coming out so you can volunteer on the actual day. With all the focus on ghosts, mummies and scary things, let us recall the origins of Halloween. November 1st, the day after Halloween, is the Feast of All Saints, the day that the Church honors all good and ordinary people who have gone to heaven. These saints, or "Hallowed" persons, were celebrated by dressing up like them the night/eve before. Hence the name ALL HALLOWS EVE gradually got changed to Halloween. It is good to recall the religious significance of this day to give our preparations more meaning.

HUNGER WALK: On Sunday, October 26, Campus Ministry will participate in the Hunger Walk which will take place along the Santa Monica Pier. The purpose for this 3-mile walk is to raise money for the Food Bank which in turn distributes food to other agencies. Please take the information from the Campus Ministry board and try to get people to sponsor you. Once again, the fee to join this event is \$2.00.

RAFFLE ENDS TODAY: Today marks the end of Hispanic Heritage Month and the end of our RAFFLE. First prize is the beautifully framed picture of Our Lady of Guadalupe, second prize is \$15 and the last prize is a "surprise". The drawing will take place in the umbrella area of building 11 at 5:20 p.m. Be there!

Please sign up for campus Ministry events only in the spaces provided. If there are no additional spaces and you want to join, please contact Campus Ministry.

FROM RESIDENCE COUNCIL

Attention All Residents! The Residence Council will be selling Halloween Grams on Tuesday and Thursday during dinner for \$1.00. What a sweet treat to exchange on Halloween!

FROM I.S.A.E.

Attention I.S.A.E. Students! The I.S.A.E. program is offering walk-in tutoring hours this semester. Come to the Career Center in building 7, first floor, and find out the hours that the tutors will be available. The tutors will be tutoring in subjects such as: English, Spanish, Math/Science, Chemistry, and Biology. For more information, come to the Career Center, or call **Susan Crawford** at Ext. 2662. We hope this will be a great step to getting outstanding grades in your courses!!

FROM THE EARLY CHILDHOOD EDUCATION CLUB

The Early Childhood Education Club will be having a **bake sale** on Thursday, October 16th, 11:30 a.m. in front of the cafeteria. Proceeds will support the club activities. We hope you will come.

FROM THE RECYCLING CENTER

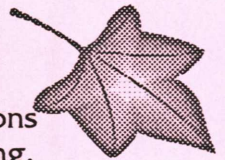

We would like to thank those of you who have offered your spare time to help recycle. If you would like to volunteer, feel free to call the Campus Ministry Office at extension 2672 for more information. Keep in mind that:

- For every ton of paper recycled, we save 17 trees!
- One recycled glass bottle saves enough energy to run a 100 watt light bulb for four hours!
- One recycled aluminum can saves enough energy to run your television set for four hours!

Once again, we would like to thank you for your time and we encourage you to recycle instead of creating more trash! Thank You!

FROM THE STUDENT HEALTH OFFICE

1. The Health Insurance cards are here. You can pick them up in my office during office hours.
2. I want to thank **Jana Blaha** for allowing me to come and speak to her students this past Tuesday, October 7, on Breast Cancer Facts and BSE. I also want to thank all the students that came and participated in this informative presentation. Congratulations to **Consuelo Moreno** for winning a Home Breast Self-Exam Kit during our raffle drawing. Remember to do your monthly BSE's. I have a breast model in my office and a great deal of literature on this topic, so please come by and practice.
3. My next health presentation will be on Osteoporosis, to be held Tuesday, October 21, 1997, 11-12 p.m. in Donohue Center. Please don't miss it!
4. Flu vaccinations are here! The cost is \$5.00. Please call to make an appointment. They are available to faculty, staff, administration, and of course, students!
Who really should get the vaccine, you ask?
 - Those with chronic illnesses, such as asthma, diabetes, cancer, etc.
 - Those over 60 years of age.
 - Those that work in the health care field, especially if providing direct care, i.e., nurses.
 If you have any questions, please call at Ext. 2685 or stop by to see me.

If you have not already done so, please pick up your grad application in the Registrar's Office and your Chalon Transfer form in the Advisement Center, and then make an appointment with your advisor. Do this soon, because completed forms are due in the Registrar's Office by **October 31**.

Freshmen! If your final transcript is not in, you will not be allowed to be advised or register for Spring classes. Please take care of this right away! You can check with the Advisement Center if you are not sure that it is in. Don't wait until it is too late! Thank you.

COMPUTER PROFICIENCY

A Doheny student must take SPR 5, Computer Fundamentals, or pass a Computer Proficiency test before she can receive her AA or transfer to Chalon. A student must show that she can get into a word processing program and type a paper that includes centering, changing the font size, using **bold**, *italics*, and underlining. ☺

You can take the computer test in the Mac Lab, in the IBM lab, or in the Learning Center. If you want to take it on your own computer, you must be able to bring your computer to the Learning Center. Make arrangements for taking the test with **Sr. Carol**.

There will be one section of SPR 5 offered in the Spring. This class covers the computer, its function and use in society; word processing, spreadsheet and date base; and an introduction to e-mail and the Internet.

OPENINGS IN ISAE PROGRAM!

Due to students who have withdrawn or transferred, the ISAE program has a limited number of openings for new members. The ISAE program is a grant-funded program providing academic services and support and cultural enrichment opportunities for first-generation college students, low-income students and disabled students. Activities include workshops, attending musicals, leadership conferences, individual tutoring, academic counseling, and more.

To apply for the ISAE program, come to the ISAE Office (Doheny: Building 7; Chalon: Learning Center) ASAP! This opportunity will not last long!

FROM THE RESIDENCE COUNCIL

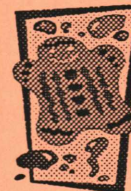

Attention Residents! Don't forget to sign up to go to the Culver City Ice Skating trip, **Friday, October 24**, from 7-11 p.m. Only \$1.50 per resident. Please pay before October 22. Don't forget to buy a Halloween Gram (\$1.00) for that special friend on Tuesday and Thursday during dinner.

FROM CAMPUS MINISTRY

HALLOWEEN: Preparations are coming along. If you want to help, please contact any of the chairpersons through Campus Ministry, Ext. 2672. So far there are 25 lbs. of candy. Our goal this year is to raise 1000 lbs. Please help us out by donating bags of wrapped candy. Healthy snacks are welcome! To accommodate more people, the **Costume Contest** will be held on **Thursday, October 30** at 11:15 a.m. Start planning your costumes! There are some great prizes.

VOLUNTEER BABYSITTING: On November 1 (the day after HALLOWEEN) at the Hotel Hyatt, an important conference on HIV/AIDS will take place in Spanish. There is a special emphasis on educating the Latina. Volunteering to baby-sit the many children who come is a real service to free the parent to attend the conference without interruptions. Sign up sheets can be found on the Campus Ministry bulleting board.

HUNGER WALK: On Sunday, Mount students will walk to relieve people from hunger by participating in this 3-mile event. By getting sponsored, we would help to raise money so that the food bank can distribute to many agencies. Get your sponsor sheet from Campus Ministry. If you are not being sponsored, you can pay your \$2 fee to Campus Ministry anytime up until Friday, October 24.

DIA DE LOS MUERTOS: On November 2, the Church remembers its deceased in a very special way. We, too, will be in harmony with various traditions by holding a prayer service in the morning and then going to Olvera Street for a few hours. Please watch the Campus Ministry board for more information.

FROM THE HEALTH OFFICE:

Diarrhea and Vomiting

❑ WHAT DO YOU HAVE?

You have diarrhea, which means increased watery stools in a 24-hour period. This can be caused by several things such as a stomach/intestinal virus or bacterial infection. Vomiting may also occur with diarrhea.

❑ WHAT IS THE TREATMENT FOR?

Loss of fluid from the body is what is most dangerous about vomiting and diarrhea, so it is important to try to control this loss. There is no medication that will cure vomiting and diarrhea; control is by diet. You can take a clear liquid diet, which rests your stomach and intestines. Here is the diet you should use:

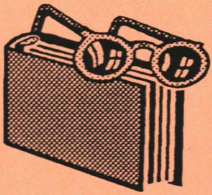

1. Take only clear liquids for 24 hours. These include Gatorade, Jell-O, clear soda like 7-Up, (let soda sit open for thirty minutes so the gas can escape), ice chips or clear broth soups. Popsicles are also popular. If you are vomiting, start with small feedings—one cup ever 1/2 hour. If you continue to vomit, take nothing at all for two hours and then start with small amounts again. If there is no vomiting you may drink as much as you want.
2. After 24 hours without vomiting or diarrhea, you may have a banana, applesauce, plain flour tortilla, sweetened dry cereal, pretzels, or unbuttered toast with jelly. If you continue to do well, you can add a soft-boiled egg, lean beef, stewed chicken, apple or tapioca. After that, you can gradually work back to your regular diet.
3. Do not eat fried, greasy or fatty foods or whole milk until the diarrhea has been completely stopped for at least two days.

❑ WHAT KIND OF FOLLOW-UP DO YOU NEED? When should you contact your doctor immediately?

1. If you have severe dry mouth, loss of weight, unusual fatigue, dark urine.
2. If you feel unusually sleepy, difficulty awakening or high fever.
3. If you do not improve within 3 days.

You may call us or return to Health Services for any symptoms which concern you.

Ask Dr. Robynne

Dear Dr. Robynne: I have been having difficulty getting to sleep ever since midterms rolled around. Do you have any tips on how to get a good night's sleep?

--Counting Sheep

Dear Counting:

Insomnia is a problem that affects many people. Luckily, there are quite a few things that can be done in order to get a good night's sleep. Here are some tips that you should find helpful:

1. Maintain regular sleep/wake-up times.
2. Omit daytime naps.
3. Learn to relax.
4. Engage in daily exercises.
5. Avoid caffeine and alcohol before going to bed, and reduce fluids after dinner time.
6. Don't label yourself an "insomniac" (this could lead to a self-fulfilling prophecy).
7. Make sure your bedroom is quiet, dark, and not too hot or too cold.
8. If you're unable to fall asleep after 20 minutes, get up and do something rather than lying in bed awake. Return to bed only when sleepy, and don't bring work to bed.
9. Repetitive routines, such as counting sheep, might help lull you to sleep.
10. If your sleeplessness arises from worry or grief, try to correct or seek help for whatever is bothering you. Good luck!

"Ask Dr. Robynne" is a column featured regularly in the Doheny Happenings. Dr. Rudin is a licensed psychologist who provides counseling at the Counseling Center on the Doheny Campus. You can send your letters to her mailbox, which is located in Bldg. #10. Or you can speak with her by calling (213) 477-2668.

FROM THE ECOLOGY CLUB

During a six-hour-journey at the Catalina Island, we explored many interesting places which exhibit beauty and exquisiteness of nature.

We visited the Wrigley Memorial Botanical Garden at Catalina Island. The garden displays many exotic, beautiful plants and trees, including the eight Catalina endemics, the plants which naturally grow only on Catalina. Those unique plants include Catalina Ironwood, which has existed since 20,000 years ago; St. Catherine's Lace, which changes its flower's color with the season, from white to beige to deep russet; and Wild Tomatoes, which have highly poisonous berries.

We also went to the tidepool to observe marine animals, strolled along the streets and beaches to see the beautiful scenery, and enjoyed delicious cuisine. It was a very fun and valuable experience!

FROM ASB

THANK YOU...to all for making our first dance a complete success. The next ASB event will be the **Father-Daughter Dinner Dance** this Friday, November 21 in the Doheny mansion. HIVES

Hives (urticaria) are itchy, red, swollen patches that appear suddenly. They change size, shape, and location quickly and repeatedly. Angioedema is hives that occurs deeper in the skin, usually in the hands, feet, and face. Hives may be a reaction to something you ate, touched, or put on your skin. Hives can also be caused by drugs, cold, heat, viral infections, insect bites, and stress. Often, the cause is not known. Hives usually come and go for several days and then disappear. In some people, hives can be part of a more serious reaction. Hives are not contagious.

INSTRUCTIONS:

- * If you know what caused your hives, avoid whatever caused the attack.
- * You may use an over the counter antihistamine for relief of symptoms
- * Apply cold compresses to the skin or take cool baths. Warmth will make the itching worse.
- * Wear loose fitting clothing

CALL YOUR DOCTOR IF :

- * You still have a lot of itching after taking the medication for 24 hours
- * You develop a temperature
- * You have any pain or swelling in your joints
- * Your hives last more than one week
- * You develop new or unexplained symptoms

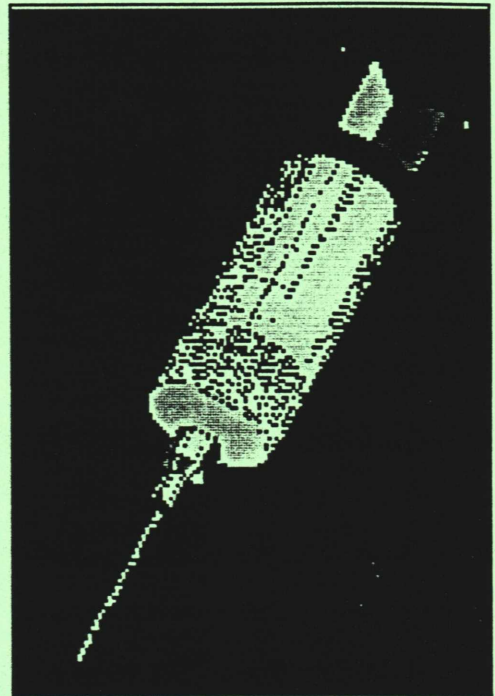

GO TO THE HOSPITAL IMMEDIATELY IF :

- * You have these symptoms during an attack of hives:
 - swollen lips or tongue
 - difficulty breathing or swallowing
 - abdominal pain

THESE MAY BE THE FIRST SIGN OF A LIFE THREATENING ALLERGIC REACTION. THIS IS AN EMERGENCY. CALL 911.

Student's Notification of Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records.

They are:

(1) The right to inspect and review the student's education records within 45 days of the day Mount St. Mary College received a request for access.

Students should submit to the registrar, or other appropriate official, written requests that identify the record(s) they wish to inspect. The Mount St. Mary's College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Mount St. Mary's College official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

(2) The right to request the amendment of the student's education records that the student believes are inaccurate or misleading.

Students may ask Mount St. Mary's College to amend a record that they believe is inaccurate or misleading. They should write Mount St. Mary's College official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

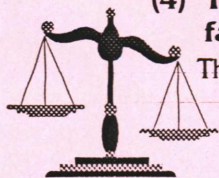

If Mount St. Mary's College decides not to amend the record as requested by the student, Mount St. Mary's College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by Mount St. Mary's College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom Mount St. Mary's College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by Mount St. Mary's College to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA is: Family Policy Compliance Office

Ask Dr. Robynne...

Dear Dr. Robynne:

I'm a little worried about returning home for the holidays and living with my family again after having lived on my own all semester. What can I expect and what should I do to make Christmas Break a bit easier?

--Home for the Holidays

Dear "Home for the Holidays:"

Visiting home for the holidays can be both stressful and enlightening (especially if it's your parents' first time for you to be away for an extended period). Parents often expect that your visit home will involve spending a lot of time with them and with your other family members, while your plans may be different. Sometimes parents will make your favorite foods, make plans for you, or even load you up with chores. Many times these efforts have the same aim, which is to ensure that you *do* spend time with them. Some conflicts can be avoided by letting your parents in on your plans *before* you walk in the door, and making sure that you make some time for them.

One area of conflict may be your expectation that you can follow the same rules at home that you follow away at school, versus your parents' expectation that you will continue to follow the guidelines you followed in high school. Problems such as these can be avoided by discussing ahead of time the differing expectations you and your parents have.

You may notice many other changes as well. If you come from a single parent home, you may discover that your parent has made some personal changes while you were away—new friends, new interests or new habits. If your parents are separated or divorced, coming home from college can spark new battles over who spends time with whom and for how long.

There are many issues and changes that are an inevitable part of growing that you and your family will experience during your college years. For most people, these changes are stressful (but normal) milestones that they simply grow through. For others, these transitions can be so stressful that they interfere with successful functioning. Help and counseling is available at the Counseling Center should you desire it.

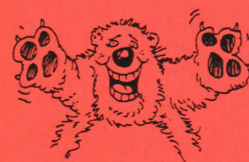

Good luck, and happy holidays!

"Ask Dr. Robynne" is a column featured regularly in the Doheny Happenings. Dr. Robynne Rudin is a licensed psychologist who provides counseling at the Counseling Center on the Doheny Campus. You can send your letters to her mailbox, which is located in Bldg. #10, or you can speak with her by calling (213) 477-2668.

Thanks!

A special holiday *Thank you* to all who participated in our **Christmas Fair!** 'Twas a success!

The Holiday Bear raffle will be held **Tuesday, December 2**. Tickets are still available in Building #10.

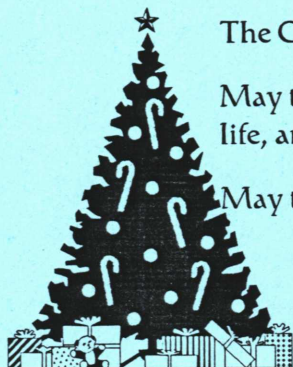

GOOD LUCK ON YOUR FINALS!

FROM CAMPUS MINISTRY

OUR LADY'S MASS AND CONFIRMATION CANDIDATES: December 8 is the feast of the IMMACULATE CONCEPTION, patroness of the United States. Pope Pius IX in 1854 declared that Mary the Mother of God's Son was freed from sin since the moment of her conception in the womb of her mother, Anne. This is a significant day to have the last group of Confirmation candidates presented to the College community. Please accompany these students by your presence today at the noon Mass.

THE SEASON OF ADVENT: With vacation upon us, we find ourselves already celebrating Christmas. Advent is a time when we have the opportunity to prepare, to make room for JESUS. In the midst of this hectic time, let us remember the "reason" for the season and prepare our heart by doing thoughtful acts, by spending a little more time in prayer or by trying to have a cheerful and positive attitude. Then we will not come empty-handed on Jesus' birthday.

THE FEAST OF OUR LADY OF GUADALUPE, DECEMBER 12: Our Lady, under the title of Guadalupe, is the patroness of the Americas. Even though most of us are on our way out, we will celebrate a "late" mañanitas at 6:00 a.m. in Our Lady of Mercy's Chapel. Afterwards we will have "*pan dulce*" (Mexican sweet bread) and hot chocolate. Please join us in the joyful celebration.

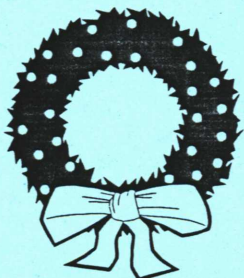

Campus Ministry wants to thank all of you who volunteered for all the projects and activities that we sponsored. Sister Angela and campus workers, **Mirella Calderon**, **Sandra Gramajo**, **Ana Grande**, and **Daisy Martinez** wish all of you a blessed and safe holiday season.

FOR THE CURIOUS, THE INTERESTED, AND THE ADVENTURESOME: 7-11 Day, Saturday, January 26 is designed for those who would like to "shadow" a religious for a day. The event will start with morning prayer at 7:00 a.m. at St. Vincent's Church after which you would go with a religious Sister or nun. You will have the opportunity to be with that person for all the activities she has planned. You will gather back at St. Vincent's for Mass in the afternoon, followed by dinner and entertainment. Please contact Sr. Angela if you would like to participate.

RECYCLING PROGRAM: Thank you to all who have put in volunteer hours of recycling. Last month, we recycled 400 lbs. of newspaper, 350 lbs. of white paper and 261 lbs. of colored paper. We are doing a good job in preserving our planet. THANK YOU!

We need a student worker for recycling. If you are interested, please see Sr. Angela.

As you clear out your rooms, please remember to recycle. THINK GLOBALLY, ACT LOCALLY!

FROM THE ADVISEMENT CENTER

FROM THE REGISTRAR'S OFFICE

This is a reminder for all Sophomores planning to graduate that you need to turn in a Graduation Application by February 6th.

FROM THE LEARNING RESOURCE CENTER

PROFICIENCY TESTS: Students planning to graduate or transfer to Chalon in May must have passed all the proficiency tests: Reading, Writing, Notetaking, Basic Math, and Computers. Sr. Carol has put notices on the 48-Hour board to those who have not yet passed one or more of these tests.

- ☐ The computer test can be taken anytime. Just make an appointment with Sr. Carol. It takes about 25 minutes.
- ☐ The other proficiency tests will be given in the last two weeks of April or when Sr. Carol thinks you're ready for it. So see Sr. Carol about setting up a program of study so that you will be ready to take the tests.

LRC STAFF: Sr. Carol will not be in the Learning Center from Wednesday, February 4, through Wednesday, February 18. Ms. Frankie Lennon will be there to take her place. Ms. Lennon will continue to work with ALL the students Sr. Carol has been working with. She and the rest of the Learning Center Staff, Sr. Margaret Rose and Sr. Constance, can help you proofread your papers and teach you how to correct the kinds of mistakes you usually make, help you set up a plan of study to pass proficiency tests, administer the computer test, and many other activities that Sr. Carol usually does.

FROM THE RECYCLING CENTER

The recycling center is proud to say that due to your commitment to recycle, we have collected 131.5 lbs. of white paper, 56 lbs. of colored paper, and 52 lbs. of newspaper. This month has been a successful month. Thank you and keep up the good work.

FROM CAMPUS MINISTRY

Note that at our Campus Ministry meeting, we would like to select coordinators for each of these events. Thank you for your participation: Our actions truly have heart.

CAMPUS PRIDE

I think most of us at Doheny would agree that we have a beautiful campus in the midst of a major city. However, of late it seems that some are not doing their part to kept the campus clean and presentable. This includes those who leave litter next to their car when they exit campus and those who leave items on outside tables instead of taking trays inside, of throwing out paper items, or returning the various items brought outside during meal time.

Let's each do our part and perhaps remind one another so that Doheny will continue to be that "oasis in the city" which we can be proud of when visitors come and just everyday when we work/study/live here.

WATCH OUT FOR TUESDAY, FEBRUARY 10: Since we were rained out last Thursday, the **Volunteer Fair** was postponed to this **Tuesday, February 10, in Donohue, from 11:15 a.m. to 12:30 p.m.** The Agencies that participate offer us wonderful opportunities to learn new skills and to experience new situations that help us to grow into a better adult. Please take time out to go a little out of your way to browse.

MISSION MASS: **Fr. Albertine** is a Maryknoll Missionary who celebrates Mass here once in a while. He has worked in South America and in Africa and will share his experiences with us at the 5:15 p.m. Mass this Tuesday. He will stay for dinner and will continue to share. Please welcome him and join us.

IS PRO LIFE A REAL CHOICE? This presentation will be given by **Gloria Reyes** from the Right to Life League. She will address the abortion issue from a fresh perspective. Come and learn more about his timely issue. The session will be held in Donohue from 7:00 p.m. to 8:30 p.m.

HEALING PRAYER SERVICE: February 11 is the Feast of Our Lady Of Lourdes. This marks the apparition of Mary to a sickly young girl in the mid 1800's. As proof of her appearances to Bernadette, Our Lady made a miraculous spring well up from the earth. This spring is still in existence. To celebrate this day and in keeping with the spirit of the Feast, we will have a **Healing Prayer Service** in the Chapel at 5:15 p.m. If you, your family, or your friends are in need of physical, psychological, or spiritual healing, please attend. This service will last about 1/2 hour.

VALENTINE'S DAY: When St. Valentine was imprisoned, he wrote letters of encouragement and hope to his fellow Christians. That is where the practice of sending valentines originated. To help bring love to the inmates of Juvenile Hall, the 1st graders from St. Vincent's will come to make valentines. We need Volunteers to help in this project. If you can make it to Donohue on Friday, February 13 at 2:00 p.m. (note time change from calendar), we would certainly appreciate the help. Please sign up at the Campus Ministry Board.

JUVENILE HALL: This Sunday, February 15, we will go to visit the inmates at Juvenile Hall. The shuttle will leave promptly at 8:00 a.m. and will return at about 11:45 a.m. Remember, "Whatsoever you do to the least of my people, you do unto me."

FROM CAMPUS MINISTRY

LENT: A 40 day retreat. Lent begins next Wednesday with the signing of ashes on the forehead of all believers. Traditionally we have thought of the Lenten Season as a time of sacrifice, giving up a favorite activity or food, but it is so much more. In the 4th and 5th centuries, a detailed process was worked out for those wishing to be baptized. With the prayers, sacrifices, and support of the community, these candidates used this special time to become more ready for the sacraments of baptism, confirmation and communion.

For us now, the emphasis is on renewal of our Christian commitment by doing good instead of giving up. In front of the Campus Ministry Board in Bldg. 4, there will be a basket of suggestions that you may wish to use.

Fasting and abstinence regulations will be posted on the Campus Ministry board along with the schedule of ashes at St. Vincent's. Ash Wednesday Mass is on February 25, at 5:15 p.m. in the Lecture Hall.

SANDWICH MAKING: Rain or shine we will make sandwiches with the other volunteers who help the Missionary Brothers of Charity this Saturday, February 28, at 9:00 a.m. until about noon. Especially now during Lent, make an extra effort to help bring some relief to our needy brothers and sisters.

MARDI GRAS MASS: Please join us in a celebrative Marti Gras Mass on Tuesday, February 24, with Bishop Blaire. "Fat Tuesday" is the day before lent and was referred to as that because of the strict fasting laws of Lent in the past. Now that we look forward to doing good deeds, let's celebrate this day even more by attending mass and enjoying a few refreshments afterwards. All are invited.

DATES TO LOOK FORWARD TO: March is Women's Month with many activities.

March 4	Wednesday	We will offer confession opportunities to all between 4:00-6:00 p.m. and 7:00-8:00 p.m.
March 17	Monday	CSJ Appreciation Mass: 11:15 a.m.

FROM THE FINANCIAL AID OFFICE

ATTENTION GRADUATING STUDENTS!!! If you have borrowed a Federal Stafford Loan (Subsidized or Unsubsidized) at any time during your education at Mount St. Mary's College, the federal government requires that you attend a Loan Exit Counseling before you graduate. We will hold these interviews in a group workshop format with local lenders participating to answer your questions. In these sessions, you will receive information on the total amount in loans you personally have borrowed, who you must repay, what your approximate payments will be, and all kinds of other useful information pertaining to transferring to other schools, deferments, etc.

It is mandatory that you attend one of the workshops, so please accommodate your schedule to participate at either campus. Failure to attend a workshop may result in a withholding of your transcripts needed for graduation. Thank You!

FROM CAMPUS MINISTRY

HOLY WEEK: Holy Week, the most sacred time of the entire Church year begins with Palm Sunday. Jesus enters the city of Jerusalem amid wild cheers, Hosanna to the Son of David. Jesus is preparing for his final Passover, reminiscent of the night the angel of death passed over the doors smeared with the blood of the lamb and freed the Hebrews from slavery in Egypt.

The Triduum refers to the last three days of the week: **Holy Thursday**, when Jesus had his last supper with his disciples and instituted the Eucharist; then He was arrested in the garden and judged; **Good Friday**, the day Jesus was condemned to carry his cross and die; and **Holy Saturday**, when Jesus was in the tomb. This night is also called the Easter Vigil and is celebrated with Baptisms, Confirmations and First Communions, the sign of abundant life, which is the true meaning of Easter. A schedule of services from St. Vincent's will be posted on the Campus Ministry bulletin board, Bldg. 4.

MASS OF SCRUTINIES: This ancient rite of purification will be performed by Bishop Blaire for the Confirmation candidates on Tuesday, April 7, at 5:15 p.m. Please join the candidates and peer sponsors as the day of Confirmation approaches, Sunday, April 26, 3:00 p.m. at the Chalon chapel.

Many thanks to all for supporting all of the activities sponsored by Campus Ministry: sandwich making, serving the men at the shelter, visits to Juvenile Hall, support for Women's History Fair, bread making, etc.

Early Registration for Fall '98:

Transfer Of Credit Clearance Info: Summer School- If you are planning to attend summer school, you need to do several things:

3. Check with your advisor/Advisement Center to be sure that the courses are transferable to MSMC and satisfy what you intend to do.
4. Get a **TRANSFER OF CREDIT CLEARANCE FORM** from the Advisement Center. Check the policy about taking classes elsewhere after enrolling in MSMC. (See Registrar's Office). If you are taking two classes at the same college, you may indicate both classes on the same form.
5. Get your advisor's signature and turn form in to the Registrar's Office.
6. If you cannot complete the necessary paperwork before May 8, be sure to phone and confirm a time to meet with your advisor and/or Sr. Therese before coming on campus.

Interested students need to contact Maria Leyva in the Office of Admission, at Ext. 2566, if you want to take part in Admitted Students Day 1998.

FROM THE LEARNING RESOURCE CENTER

Beginning April 20, Sr. Carol will administer proficiency tests to students who still need to pass them (and who aren't in a class that will be giving the test as part of a final). Use this week to get prepared for the tests if you are not already doing so.

The **writing** test will be given Monday, April 20-Thursday, April 23, at 11:15 a.m. or by appointment (an hour).

The **reading** test: Tuesday, April 21, anytime (at least an hour).

The **basic math** test: Wednesday, April 22, anytime (at least 60 minutes).

The **computer** test: anytime (about 25 minutes).

All Doheny Students in the traditional AA programs should have received a paper posted on the 48-hr. board from Sr. Carol, stating which tests had been passed and which hadn't. If you did not receive this paper, please see Sr. Carol.

ATTENTION ALL STUDENTS: Please do not remove notes from the 48-hour board unless they are for you. Please do not take your friends' or classmates' notes to them. Tell them they have a note on the 48-hour board. Notes staying too long on the 48-hour board will be returned to the sender.

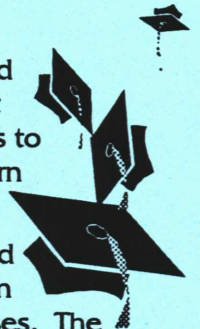

FOR YOUR INFORMATION

Red Cross Gratitude! The Spring Blood Drive on April 1 was a success, thanks to those who had appointments and those who dropped in during the day. It was not our largest, nor did we get our quota, but we did contribute to the Red Cross and the work they do in Los Angeles. Thanks to all those who came—even if you were not able to donate at that time. We hope you will all return when we next host a Blood Drive on campus.

Dedication Helpers Needed! We are in need of more volunteers to help with the events around the dedication of the new buildings on campus. The dates are April 23 and April 26—both from 3:00-6:00 p.m. We need people to lead tours, to work at the book fair, and to serve as hostesses. The Deltas have signed already but we still need more. If you are interested, please check the Delta board (in #4, next to room 107) and sign where you can. It is really appreciated. Thanks in advance.

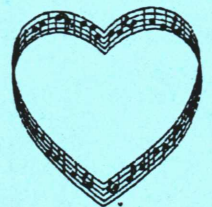

Graduation News! For those of you planning to graduate this May, you should have received (and returned) the information sheets by this time. If you were somehow missed, please see Sr. James right away. There is still a change to be involved, but the time is getting very close. Don't just sit with those papers on your desk and miss a chance to be part of history with our first graduation at the Shrine! Don't delay!

FROM THE STUDENT HEALTH OFFICE

I would like to take this time to thank Jana Blaha for allowing me to speak to her students on March 24, on Dieting and Weight Loss. Thank you to all the students that attended. I hope you learned a great deal and will make an effort to make some positive changes in your eating and exercise habits. Congratulations to YESENIA HERNANDEZ for winning a AM/FM radio headset during the prize drawing.

I am keeping track of all the students that attend health events and presentations. The student that attends the MOST presentations will win a beautiful gift during finals week.

I am still looking for some students to apply for S.H.A.C. (Student Health Advocate Committee) for next year. I am in the process of interviewing students for this position. I will be selecting 3 or 4 students total. If you are interested, please complete an application and return it back to me. Applications can be picked up from Student Health or the 48 hour bulleting board.

If you have any ideas or suggestions for health presentations for next year, please let me know. I encourage and welcome your feedback.

If you still have not met your health requirements, please do so immediately. Physical examinations can be done at Chalon Health Services. Call 310-954-4110 to schedule an appointment. Vaccinations and PPD testing can be obtained at the Doheny Health Office.

If you have questions, please call me or stop by my office.

For those interested in health-related Volunteer positions, lists of options are available in the Student Health Office and Bulletin Board in Bldg. 4 and in the Career Center in Bldg. 7.

FROM CAMPUS MINISTRY

EASTER SEASON: For the Christian, Easter is far more than bunnies and colored eggs. The empty tomb symbolizes the conquering of pain and death not because Jesus escaped but because He faced and walked through that suffering. He offers us the promise of LIFE if we do the same.

The Easter season will last past Pentecost and will close on Trinity Sunday. During this season, let's live life to the full--not because we are "party animals" but because we've been promised new life, new hope. During the remainder of this Church season, let us appreciate life and respect it.

FAMILY PICNIC: Please mark and reserve Saturday, April 18, from 1:00-6:00 p.m. for the Family Picnic. There will be a giant Dumbo bouncer and more games for children of all ages. Please sign up to bring a main dish or a salad or a dessert; Campus Ministry will provide paper goods, drinks, and plastic ware. Take some time to enjoy the most precious thing we have--family. Please come. Faculty and staff are encouraged to attend and enjoy a relaxed and fun filled environment.

COMMITMENT: I would like to commend all those who when they sign up to volunteer, calendar it themselves. Two weeks ago, I hired a driver to go to Juvenile Hall and nobody showed up. This Isn't the first time it has happened and so I plead with you to honor your commitments.

CAMPUS MINISTRY MEETING: This Thursday, April 16, the focus of our meeting, which will take place in #7 at 11:15 a.m., will be to finalize the plans for our Family Picnic. Please attend even if you haven't come before.

CONFIRMATION: Please pray for our candidates: Nancy Aguilar, Mirella Calderon, Hazel Castaneda, Holly Charton, Monica Deloza, Sandra Garcia, Alma Gonzalez, Wendy Gutierrez, Yesenia Hernandez, Norma Herrera, Norma Marquez, Christina Mejia, Scarlett Narveaz, Luz Ojeda, and Tina Rosales.

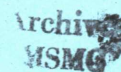

NOTE: Confirmation will be held at the Chalon Campus, at 3:00 p.m., on Sunday, April 26.

FROM THE EARLY CHILDHOOD EDUCATION CLUB

The Early Childhood Education Club is organizing a carnival for the week of the young child. The carnival will be on Tuesday, April 21st. It will start at 10:00 a.m. All clubs are invited to participate. Please come to help us; we will appreciate it. For more information please call Rosario at Ext. 2806. We hope to see you there!!

The complex is nearing completion and we hope to move into the new buildings during the latter part of May. When you return in the Fall, we will be using all of the complex.

Dedication Ceremony

The Sister Magdalen Coughlin Learning Complex

Thursday, April 23, 1998

Sister Magdalen Coughlin (1930-1994) was the former President and Chancellor of the Mount. As President, she led the College in its efforts to become a truly multicultural institution, and through her leadership the Mount gained national recognition.

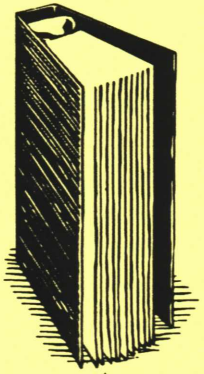

It was largely through her efforts that the funding for the Learning Complex was obtained. It is named for her because of her vision for this center of learning and because of her deep love for the Doheny Campus. She was one of the first group of faculty who taught at Doheny, and her students remember her as an outstanding teacher who instilled in them a lifelong love of learning.

Please join us at the Dedication Ceremony on **Thursday, April 23**, from 3:00-6:00 p.m. There will be tours of the new *Learning Complex*, as well as a Book Fair.

FROM THE LEARNING CENTER

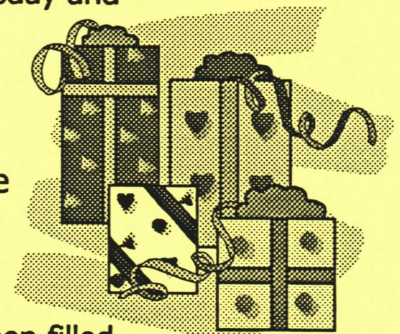

This is Proficiency Test week. All those who need to take a proficiency test should do so this week. If the times listed are not convenient for you, please see Sr. Carol to make another arrangement. All test-taking must be done this week. All tests will be given in the Learning Center.

○ **Computer** tests can be taken anytime. Make arrangements with Sr. Carol in the LRC.

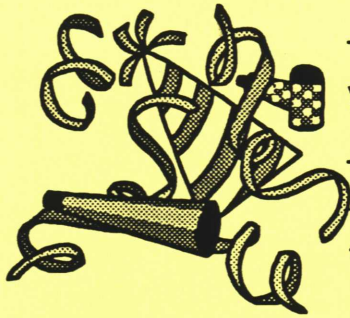

Those in English 6A should be completing their twelve hours of individual work. Try to have this finished by May 1st. Remember, no one may do more than two hours at one time. The Learning Center is open from 8:00 a.m. to 6:00 p.m., Monday through Thursday and 8:00 a.m. to 4:00 p.m. on Friday.

Alumnae Merchandise:

Will you be graduating? Have a friend graduating? Mount St. Mary's College Alumnae Office has alumnae merchandise for you: T-shirts, sweatshirts, license plate frames, MSMC decals, mugs, etc. If you're interested, take an order sheet from the bulleting board outside the LRC, fill it out, and give to Sr. Carol. Within two or three days you will get a call that your order has been filled, and you can pick it up from Sr. Carol in the Learning Center. If you want to see the merchandise first, Sr. Carol has samples in the LRC.

CLASS CHANGES: The PHI 5 (Logic) class has been changed to PHI 10 (Critical Thinking).

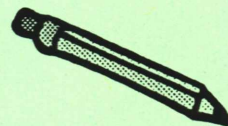

There will be two PHI 10 classes and no PHI 5.

SUMMER SCHOOL: Don't forget to file a TRANSFER OF CREDIT CLEARANCE form in the Registrar's Office before registering for summer classes off campus to ensure that they are approved and transferable.

PRE HEALTH STUDENTS: A reminder to Pre Health students that you must have a cumulative 2.5 GPA at the end of the semester to remain in the program. See College Catalog, page 221.

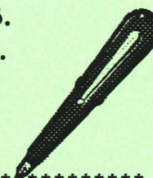

FROM THE LEARNING RESOURCE CENTER

Are you ready for Finals?: Be organized. Let the staff help you get organized. Get a finals schedule and then plan when, where, and how to study for certain tests. You may also want to join others to study for the test.

Get ready. Ask your teachers what you will need for the final exam. Do you need a blue book, a scantron? Go to the bookstore and get these items this week. The bookstore opens late and closes for an hour for lunch. When the bookstore is closed, the Learning Center sells scantrons for 10 cents.

ESSAY EXAM. The Writing/Essay Exam (Proficiency Test) will be given in Eng. 4X, 6A, 6B, and 1B. If you want to know the results of that essay, please submit a self-addressed envelope to Sr. Carol. The essays will be read by a committee of English professors in late May. For those who submit a self-addressed stamped envelope, Sr. Carol will send you the results in early June; otherwise, you can ask her when you return in the fall.

YOUR PRAYERS ARE REQUESTED:

As you are aware, **Nancy Garcia** was seriously injured in an auto accident recently. She remains in critical condition at Providence Holy Cross Medical Center in Mission Hills. We ask that you keep Nancy in your daily thoughts and prayers. If you would like to send her a card, please call Lisa in the Dean's Office (Ext. 2510) for the address.

DOHENY ART BOOKS

Those who signed for copies of the Doheny Art Book should pick up their copy this week in the Learning Resource Center. Also, if anyone else wants one, there are still some available.

FROM ASB

We hope you all enjoyed yourself at the Block Party and are ready to hit the books for finals. The year is almost over, so hang in there.

Cinco de Mayo Celebration will begin Thursday, April 30, 1998. There will be food, music, and live dancers in front of Ahmanson Commons from 11:00 a.m. – 1:00 p.m.

Have a great Summer!

FROM THE PTA PROGRAM OFFICE

The **PHYSICAL THERAPIST ASSISTANT PROGRAM** is looking for a **Student Worker for the summer!** The position is "Assistant Office Manager" and requires previous office and word processing experience. The start date will be Monday, May 11, through Friday, August 28, 1998. If you're interested and have work study, please call Lori at Ext. 2600 for more information.

FROM THE LEADERSHIP DEPARTMENT

This year, 1998, commemorates the 150th anniversary of the first women's rights convention that was held in Seneca Falls, NY, in 1848. In honor of this celebration, the Public Leadership Education Network (PLEN), is sponsoring a week long seminar in Aurora, NY, at Wells College. At the conference, students will have the opportunity to visit the homes of famous women leaders such as Harriet Tubman, Susan B. Anthony, and Elizabeth Cady Stanton. They will also meet with current women leaders in the community, the state house, and the U.S. Congress. Students will network with these women and share their ideas with other college students from across the country. There are limited spaces and funds available for students who are interested in attending and video taping this unique seminar. If interested, please pick up an application in the Leadership Department and explain why you would like to participate in the conference. For further information, please stop by the Leadership Department or call Ashley De Lucca at (213) 477-2664.

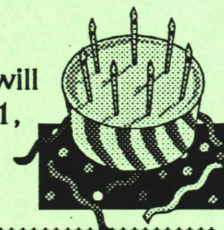

FROM THE WOMEN'S STUDIES MINOR PROGRAM

Five students in the Women's Studies Minor at MSMC presented a panel discussion at the 8th Annual Pacific Southwest Women's Studies Association Conference at California State University, Fullerton, in April. **Andrea Graybehl, Nilsia Cadena, Joyce Liu, Lisa Laguna, and Rebecca Pelle** spoke on "Making Waves: Student Activism and the Women's Studies Program at Mount St. Mary's College." Also attending were **Regina Lark**, Coordinator of the Women's Studies Program; **Dr. Michele Dumont**, and **Dr. Anne Eggebroten**. The theme of the conference was "NETworks: STUDENTS and TEACHERS LEARNING TOGETHER."

*Deadline to make reservations is Tuesday, April 28, 1998.

E.Y.I.

GRADUATION NEWS! We now have information on a special video which will be made of the ceremonies at the Shrine Auditorium on May 11. Since the Shrine does not allow guests to stand or wander the aisles, it will not be as easy for your family to get good pictures of the event. A request was made that we contract for a video to be professionally made. As you might guess, they want to be able to sell these if they take the time and effort to make one for us. Please think about this and be on the lookout this week for order forms; they will be on the 48-Hour Board. Then fill out and return to Sister James. This will be a lasting reminder of the event—our very first time to have our Commencement off-campus. Be sure to have your part of history!

LAUREL DAY! The day is almost here! Time for celebration for the Doheny Community! Come on **Saturday, May 9, at 2:00 p.m.** We will gather on the **front lawn of the Mansion** to honor our volunteers, our honor students, all award recipients, and the Class of '98. Bring your family and share in the celebration which will end our school year. A reception will follow the ceremonies on the South Lawn.

COMMENCEMENT! The Graduation ceremony will take place on **Monday, May 11, at 7:00 p.m.** in the **Shrine Auditorium**. Plan to be part of this history-making event. All graduates are reminded to check in the Bookstore this week to pick up your cap and gown. Also, remember to hand in the form to reserve your video of the ceremony. Forms are available on the 48-Hour Board. Your family will be able to take pictures at Commencement, but they will not be able to stand or get out of their seats.
